The Labor Committee submitted the following to the Board:

November 12, 1974

Board of Directors
Orange Cove Irrigation District
1130 Park Blvd.
Orange Cove, California

Gentlemen:

The District's Employee Relations Committee without Fred Morgan met on November 1, 1974. We were to meet with Mr. Null of the

Carpenters' Union but he was ill and we talked to him on the telephone. He discussed with us the following demands:

1. A Pension Plan;
2. They want a time limitation on temporary employees. In other words, after six months, a temporary employee becomes a permanent employee;
3. A Seniority System;
4. A grievance Procedure; and
5. A six month cost of living wage adjustment.

The Committee has always recommended that the District adopt some sort of a Pension Plan, and all three members present renew this recommendation.

The Committee also feels that a 5% cost of living wage adjustment as of November 1st is justified.

The Committee does not feel that the other three demands should be acted on at this time. The problems, if any, creating the demands do not appear of sufficient magnitude to justify any action.

Very truly yours,
Robert E. Mook

It was moved by Director Ketscher, seconded by Director Beach to authorize Board members attending A.C.W.A. meeting in Los Angeles, December 4-6, to discuss Pension Plan with Insurance Representatives of A.C.W.A. Motion carried.

It was moved by Director Orlopp, seconded by Director Ketscher that Harvey S. Chase and Stanley Beach be appointed to a committee to a selection and recommendation of an eligible landowner for the office of Director of Division 4. Motion carried.

It was moved by Director Orlopp, seconded by Director Beach that the meeting be adjourned. Motion carried.
